

# Asthma & Respiratory Management Seminar for Practice Nurses

An Australian Government Initiative

Brought to you by the National Asthma Council Australia as part of the Asthma Best Practice for Health Professionals Program.

**Date:** Saturday 5 November 2016  
**Time:** 9.00am – 4.00pm | registration 8.30am  
**Location:** Woodend Neighbourhood House, 47 Forest St, Woodend  
**Presenters:** Marg Gordon & Bernadette Flanagan  
**Cost:** Free to participants

Also included in this workshop is the module *Nurse-led Asthma & Respiratory Clinics*. Please invite your **practice manager** to attend the last hour of this workshop to learn about running a nurse-led clinic in your practice. (*participants will be eligible for continuing professional development points from their professional bodies*)

## Learning outcomes

- Increase knowledge and awareness of current, evidence-based best practice in asthma and respiratory management
- Develop practical skills to support the use of evidence-based procedures & practices (e.g. device use, patient education, spirometry)
- Learn strategies to incorporate this knowledge/skills systematically into routine clinical practice
- Increase confidence in managing patients with asthma and linked chronic respiratory conditions
