

ASTHMA AND RESPIRATORY MANAGEMENT FOR PRACTICE NURSES

An Australian Government Initiative

Date: Saturday 15 October 2016
Time: 9.00am – 4.00pm | Registration 8.30am
Location: Quest Albury on Townsend, 450 Townsend Street, Albury 2640
Presenters: Juana Ford and Pam Hicks, Respiratory Educators
Cost: This event is provided at no cost by Murray PHN and National Asthma Council Australia

Overview

This workshop is part of the Asthma Best Practice for Health Professionals Program, run by the National Asthma Council Australia and includes the module *Nurse-led Asthma and Respiratory Clinics*.

The workshop will provide Practice Nurses with role-specific education on best-practice asthma and respiratory management.

It is recommended that a Practice Manager or GP attend the last hour of this workshop to learn about running a nurse-led clinic in your practice.

Participants may be eligible for continuing professional development (CPD) points from their affiliation with professional bodies.

Learning outcomes

- Increase knowledge and awareness of current, evidence-based best practice in asthma and respiratory management
- Develop practical skills to support the use of evidence-based procedures and practice. For example: device use, patient education, spirometry
- Learn strategies to incorporate knowledge and skills systematically into routine clinical practice
- Increase confidence in managing patients with asthma and linked chronic respiratory conditions

RSVP by Friday 7 October 2016

To register go to: <http://tinyurl.com/zqusydn>

If you are unable to attend the event after your RSVP, it would be appreciated that you let Murray PHN know as a courtesy to organisers and sponsors. This ensures better management and credibility of the CPD program with sponsors, speakers and venues. 02 6041 0000 | NEevents@murrayphn.org.au
