

# PALLIATIVE CARE | ADVANCED CARE PLANNING

An Australian Government Initiative

**Date:** Thursday 10 November 2016  
**Time:** 7.00pm – 9.00pm | Registration and dinner from 6.30pm  
**Location:** Education Centre, Castlemaine Health,  
 142 Cornish St, Castlemaine  
**Presenter:** Dr Claire Hepper | General Practitioner (GP), Creswick  
**Panellists:** Dr Louisa Hope | GP, Mostyn Street Clinic, Castlemaine  
 Di Senior | Operations Manager – Clinical Services,  
 Castlemaine Health  
 Kathryn Donkin | NUM – District Nursing, Castlemaine Health

## Topics

Participants will discuss key processes in caring for palliative patients: advance care planning; case conferencing; and patient centred documented management plans.

A discussion panel will review case studies, participants are welcome to bring a case study along on the night.

## Learning outcomes

- Implement a framework of care, based on prognostic trajectories, to proactively determine the palliative care needs of older Australians to ensure safe and effective practice
- Explain the contemporary scope of palliative care and its importance in supporting the clinical management of older Australians
- Access new resources and advisory services provided by Decision Assist

Murray PHN is an authorised provider of accredited activities under the RACGP QI&CPD Program. This activity has been submitted for 4 Category 2 points.
