

An Australian Government Initiative

BRIEF INTERVENTIONS TO SUPPORT RECOVERY IN TRAUMA-AFFECTED PATIENTS | AN EVIDENCE-INFORMED APPROACH

Date: Saturday 29 October 2016
Time: 9.00am – 5.00pm | Registration 8.45am
Location: Commodore Motel, Deakin Avenue, Mildura 3500
Presenter: **Dr Richard Cash**, Senior Clinical Specialist
 Phoenix Australia | Centre for Posttraumatic Mental Health
 Department of Psychiatry | The University of Melbourne
Audience: GPs, Practice Nurses, Pharmacists, Alcohol and Drug workers
Cost: Free (This event is fully funded by Orticare Network as part of their commitment to support clinicians providing high-quality addiction treatment)

Overview

This training is comprised of learning content and skill rehearsal opportunities relating to key aspects of Trauma-Informed Care (TIC). Topics covered include how to safely assess and manage trauma disclosure, strategies to deal with distress and develop supports, and how to foster recovery from single episode and repeated trauma.

Learning outcomes

- Discuss trauma awareness with regard to diagnostic considerations
- Describe trauma responses and identify triggers
- Outline ways of talking about trauma with patients, including safe disclosure and trauma education
- Illustrate a systems based framework for engagement and establishing priorities with regard to recovery*

Murray PHN is an authorised provider of accredited activities under the RACGP QI&CPD Program. This activity has been submitted for **40 Category 1 points**. RACGP activity no.59705 GPs must attend the workshop as outlined on this flyer and complete a predisposing and reinforcing activity to claim the points.

RSVP by Friday 14 October 2016 | To register:
