

# ADVANCE CARE PLANNING FOR GENERAL PRACTITIONERS

An Australian Government Initiative

- Date:** Tuesday 29 November 2016  
**Time:** 6:30pm – 9:30pm | Registration 6:00pm  
**Location:** Atura Albury – Dawson Room  
 648 Dean Street, Albury 2640  
**Presenter:** Dr Margi Gould | GP and Medical Educator  
 Decision Assist ACP Trainer  
**Cost:** This event is provided at no cost by Murray PHN and Advance Care Planning Initiative (East Hume and Border).  
 Dinner will be provided.

*The Advance Care Planning Initiative supports local health, legal and financial professionals and community members to promote Advance Care Planning and is funded by the Victorian Department of Health & Human Services.*

## Overview

This interactive workshop reviews the rationale and benefits of Advance Care Planning. It then offers a practical approach to incorporating it into general practice and discussion of local implementation issues.

## Learning outcomes

- Explain the value of, and need for Advance Care Planning
- Ability to identify patients for whom Advance Care Planning discussions are indicated
- Exercise the skills required to conduct an Advance Care Planning discussion
- Understand the legal and practical issues regarding Advance Care Planning in the North East and Border regions
- Incorporate Advance Care Planning in your practice
- Preview the Murray HealthPathways draft Advance Care Planning page

Murray PHN is an authorised provider of accredited activities under the RACGP QI&CPD Program. This activity has been allocated 4 Category 2 points. RACGP activity no. **35139**
