

ASTHMA AND RESPIRATORY MANAGEMENT FOR PRACTICE NURSES

An Australian Government Initiative

- Date:** Saturday 11 February 2017
Time: 9.00am – 4.00pm | Registration 8.30am
Location: Quality Hotel Gateway, 29-37 Ryley Street
Wangaratta Vic 3677
Presenters: Michelle Evans, Respiratory Educator and Pam Hicks,
Respiratory Educator
Cost: This event is provided at no cost by Murray PHN and the
National Asthma Council Australia

Overview

The Asthma and Respiratory Management Seminar for Practice Nurses provides role-specific education on best-practice asthma and respiratory management for practice nurses. Included in this workshop is the module Nurse-led Asthma and Respiratory Clinics. The Practice Manager, or a GP from your practice, is invited to attend the last hour of this workshop to learn about running a nurse-led clinic in your practice.

This training is part of the Asthma Best Practice for Health Professionals Program.

Participants may be eligible for continuing professional development points from their professional bodies.

Learning outcomes

- Increase knowledge and awareness of current, evidence-based best practice in asthma and respiratory management
- Develop practical skills to support the use of evidence-based procedures and practices (e.g. device use, patient education, spirometry)
- Learn strategies to incorporate this knowledge/skills systematically into routine clinical practice
- Increase confidence in managing patients with asthma and linked chronic respiratory conditions

RSVP by Friday 1 February 2017
