

PSYCHOSOCIAL DISABILITY AND THE NDIS

Overview

This session is designed to provide primary treating clinicians with practical and useful information for completing both the diagnostic component and the functional assessment component of National Disability Insurance Scheme (NDIS) applications. Case studies will also be discussed.

- Date:** Tuesday 21 November 2017
Time: 6.30pm – 8.30pm | Registration and dinner 6.00pm
Location: Hovell Tree Inn, 614 Hovell St, Albury NSW 2640
Cost: This event is provided at no cost by Murray PHN
Registration: Register via Eventbrite [Link](#) by 4pm Friday 17 November 2017

Presenters and Panelists:

| |
|---|
| Dean Bright Local Area Coordination (LAC) Service, Intereach |
| Representative of General Practice |
| Dannielle McLeish Occupational Therapist, North East Border Mental Health Service (AWH) |
| Alistair Bonsey Strategic Projects Lead, Murray PHN |

Learning outcomes

- Understand the role of primary treating clinicians in supporting clients to access the National Disability Insurance Scheme
- Identify clients who may be eligible for NDIS supports
- Discuss the importance of appropriate diagnosis and how this can impact on client safety and independence
- Apply the participant eligibility criteria and undertake a functional assessment
- Know how to identify the types of supports available to clients via the NDIS
