Overview

This training focuses on core RACGP accreditation requirements and cyber-security, for practices and practice managers. Four workshops are available, and participants can attend one or all three workshops (note: Workshop 4 Cybersecurity is a repeat of Workshop 2). See agenda for further information.

Please email events@murrayphn.org.au if you have any questions about the event. If you find yourself unable to attend after you have RSVP'd, it would be appreciated that you cancel your registration via the Eventbrite platform. This assists organisers and sponsors to better manage the event and maintains credibility of Murray PHN's CPD program.

Agenda

<p>Workshop 1 9.00am – 10.30am Accreditation - The basic requirements - Part 1</p> <p>Target audience: Practice Managers and Practice Staff</p>	<p>Learning outcomes</p> <ul style="list-style-type: none"> • Understanding the structure of accreditation standards, indicators and criteria • Demonstrating accreditation compliance • The Core Module components: <ul style="list-style-type: none"> ○ communication and patient participation ○ rights and needs of patients ○ practice governance – planning, risk management, contingencies, safety ○ information management ○ privacy policy
