Wodonga

Please be advised that the Wodonga event has been postponed from the 12 March until a date in July. Details to be provided once confirmed.

Overview

This two-day training workshop aims to develop a skilled workforce that is better equipped to support people who experience co-occurring mental health and substance misuse issues; otherwise referred to as dual diagnosis.

Learning outcomes

The training will introduce participants to the key principles of dual diagnosis; recognition, knowledge and practice tools.

Please email events@murrayphn.org.au if you have any questions about this event. If you find yourself unable to attend after you have RSVP'd, it would be appreciated that you cancel your registration via the Eventbrite platform. This assists organisers and sponsors to better manage the event and maintains credibility of Murray PHN's CPD program.
