

Bendigo Health Disability Liaison Officer (DLO) Program

The Bendigo Health Disability Liaison Officers (DLO) are a contact person and advocate within the healthcare system for people with disabilities.

DLOs current focus is to provide information about vaccination options.

The Bendigo Health COVID-19 Vaccination Hub have a twice weekly Disability Support Clinic for people with a disability to attend and receive their COVID-19 vaccination.

The clinic is in a quieter area, away from the large, busy and potentially overwhelming main room.

Booking is essential.
