### In-reach Vaccination Reporting

Reporting for Site Name: **Thembi Clinic**

This report is intended to capture the details conducted in a residential aged care or disability care facility. Please complete this once you have completed an in-reach clinic. Reports can be submitted retrospectively for clinics conducted between 29 April and 31 October 2021.

To add information, please click '+Add Site':

- Please complete a separate line for clinics conducted at different facilities, or held on different dates.
- If you administer different vaccines to the same site, you can add two reporting lines for the same site for each vaccine type.
- For residential aged care facilities, please select 'RACF' site type. For residential disability care facilities, please select 'DISA' site type.

Please make sure the information submitted in this report is accurate as it will be used to calculate your in-reach Practice Incentive Payment.

In-reach clinics must be reported in CVAS by 7 November 2021. Any claims submitted after 7 November 2021 may not be processed.

This report does not replace other reporting requirements (such as AIR, Stock Management Reports, etc).

Please note, it is a criminal offence to provide false or misleading information to the Australian Government.

**Details of clinic(s) held**

Resident Suitability Assessment Services: 30

It is a criminal offence to provide false or misleading information to the Australian Government.

By signing this declaration, you confirm:

- that all the information provided is accurate and true;
- that you will retain accurate and contemporaneous records for each service/patient; and
- all immunisations will be registered in the Australian Immunisation Register.

It is important that Health Providers (including business owners and employees) claim accurately and honestly. The Department of Health has a range of methods to identify, verify and investigate inaccurate claiming.

## Page 4- Confirmation

The screenshot shows a web application interface for COVID-19 vaccination reporting. At the top left is the logo for 'COVID-19 VACCINATION' with the tagline 'Safe. Effective. Free.' At the top right, there is a notification bell icon and the text 'LP:GP1'. Below the header is a dark blue navigation bar with white text links: 'Home', 'Orders', 'Delivery Acceptance', 'Stock Management', 'Wastage Reporting', 'In-reach Vaccination Reporting', and 'Get Help'. The main content area features a white box with a thin border containing the following text:

**In-reach Vaccination Reporting**

Thank you for submitting an In-reach Vaccination Report.  
If you need assistance or need to edit any information provided in this report, please contact the Vaccine Operations Centre on 1800 318 208.
